

Great News!! Birds-eye view of attendance...

The Division of Family Development (DFD)-Office of Child Care, in its continued efforts to offer New Jersey Child Care Providers more convenient and accessible Child Care subsidy attendance records, has implemented an automated EPPIC Attendance Calendar effective January 1, 2017. New Jersey Child Care Providers will now have the ability to view the attendance for all Child Care subsidy children with current agreements for an entire calendar month, a years' worth of data will be available.

How does it work? After logging into the EPPIC system, under the Provider Profile screen, each provider will now have at their disposal by clicking the tab labeled "Attendance", the ability to view the attendance of all subsidized children for a calendar month. The view will provide the children's name, case number and attendance categories.

Attendance Screen Color Key

There are six (6) color coded attendance categories reflecting the selected day:

- Present is color coded green. ■ Attendance Day (P)
- Absent is color coded yellow. ■ Absent Attendance (A)
- Sick day is color coded grey ■ Sick Day (S)
- No attendance is color coded red ■ No Transaction (Z)
- Incomplete attendance is color coded orange ■ Incomplete Attendance (I)
- Closure days is color coded purple ■ Closure Days (C)
